

TOWN OF NORTH READING

PUBLIC NOTICE

The Parks & Recreation Department is notifying the Public of North Reading that we will be utilizing a “*track & field starter pistol*” at North Reading fields and grass park areas for the deterrent of geese. You may hear a pop and a whistle; both sounds harass the geese. The geese are considered a public nuisance when they migrate at grassy areas. Questions may be directed to the Parks & Recreation Department at (978) 357-5216.
