TOWN OF WAKEFIELD

On Wednesday, March 21, 2018 the Wakefield Board of Health passed revisions to the Board of Health Regulation Prohibiting the Sale of Drug Paraphernalia and the Regulation for the Sale of Tobacco. The Drug Paraphernalia regulations restricts the sale of such items to businesses that restrict entrance to people 21 and over. The Tobacco regulations cap the number of permits at 29 and do not allow locations that do not currently have a tobacco permit from obtaining one. Copies of this are available through the Health Dept website at www.wakefield.ma.us.
