

TOWN of LYNNFIELD

CONSERVATION COMMISSION PUBLIC HEARING

THE CONSERVATION COMMISSION of the TOWN OF LYNNFIELD will hold a PUBLIC HEARING conducted virtually via Zoom, at **7:00 p.m.** on **Tuesday, July 21, 2020** relative to a **NOTICE OF INTENT**, filed by **Town Administrator Robert Dolan, on behalf of the Town of Lynnfield.** The project includes pond management activities for the control of nuisance aquatic vegetation and algae within Pillings Pond. Proposed aquatic vegetation control activities include herbicide treatments and physical cutting and removal methods. Proposed algae control activities include algaecide treatments and phosphorus inactivation by application of aluminum sulfate. The work is proposed within the waters of Pillings Pond, Lynnfield. This notice is given in accordance with the provisions of General Laws, Chapter 13I, Section 40 as amended.

*LYNNFIELD CONSERVATION COMMISSION,
Paul Martindale, CHAIR*
